UNIFORM COMPLAINT POLICY AND PROCEDURES

Introduction

This Policy contains rules and instructions about the filing, investigation, and resolution of a Uniform Complaint Procedures (UCP) complaint regarding an alleged violation by Kings Valley Academy II (Charter School) of federal or state laws or regulations governing educational programs. The Policy was adopted and thereafter revised by the Charter School's Board of Directors on the dates listed in the document footer below.

This Policy presents information about how the Charter School processes UCP complaints concerning particular programs or activities that are subject to the UCP.

A UCP complaint is a written and signed statement alleging a violation of federal or state laws or regulations, which may include an allegation of unlawful discrimination, harassment, intimidation or bullying. A signature may be handwritten, typed (including in an email) or electronically generated. Some complaints may be filed anonymously. A UCP complaint filed on behalf of an individual student may only be filed by that student or that student's duly authorized representative.

If the complainant is unable to put the complaint in writing, due to a disability or illiteracy, we shall assist the complainant in the filing of the complaint.

A pupil fee includes a purchase that a pupil is required to make to obtain materials, supplies, equipment, or clothes associated with an educational activity. A pupil fees complaint may be filed with the Charter School principal or their designee. A pupil fees complaint may be filed anonymously, that is, without an identifying signature, if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance.

For complaints relating to Local Control and Accountability Plans (LCAP), the date of the alleged violation is the date when the reviewing authority approves the LCAP or annual update that we adopted. An LCAP complaint may be filed anonymously, that is, without an identifying signature, if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance.

The Charter School advises complainants of the right to pursue civil law remedies that may be available under state or federal discrimination, harassment, intimidation or bullying laws, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may also be available to complainants.

Investigating UCP Complaints

The UCP complaint investigation is the Charter School's administrative process for the purpose of gathering data regarding the complaint. The Charter School provides an opportunity for complainants and/or representatives to present evidence or information.

Refusal by the complainant to provide the investigator with documents or other evidence related

to the allegations in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegations.

Refusal by the Charter School to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail or refuse to cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

The Charter School ensures that complainants are protected from retaliation.

The Charter School investigates all allegations of unlawful discrimination, harassment, intimidation or bullying against any protected group. Unlawful discrimination, harassment, intimidation or bullying complaints shall be filed no later than six months from the date the alleged discrimination, harassment, intimidation or bullying occurred, or six months from the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying.

UCP Complaint Resolution

The Charter School will thoroughly investigate the UCP complaint and issue a written Investigation Report to the complainant within 60 calendar days from the date of the receipt of the complaint, unless the complainant agrees in writing to an extension of time.

This Investigation Report will contain the following elements:

- The findings of fact based on the evidence gathered;
- A conclusion that provides a clear determination for each allegation as to whether the Charter School is in compliance with the relevant law;
- Corrective action(s) if the Charter School finds merit in a complaint:
 - For complaints regarding Pupil Fees, LCAP, or Physical Education Instructional Minutes, the remedy shall go to all affected pupils, parents, and guardians,
 - For all other complaints within the scope of the Uniform Complaint Procedures the remedy shall go to the affected pupil,
 - With respect to a Pupil Fees complaint, corrective actions shall include reasonable efforts to ensure full reimbursement to all pupils, parents and guardians who paid a pupil fee within one year prior to the filing of the complaint;
- A notice of the complainant's right to appeal our Investigation Report to the California Department of Education (CDE); and
- The procedures to be followed for initiating an appeal to the CDE.

Appeal Process

An appeal is a written and signed request by the complainant to the CDE seeking review of the Charter School Investigation Report that was issued in response to a properly filed complaint. A signature may be handwritten, typed (including in an email) or electronically generated.

The complainant may appeal the Charter School Investigation Report of a UCP complaint to the CDE by filing a written appeal within 30 calendar days. In order to request an appeal, the complainant must specify and explain the basis for the appeal, including at least one of the following:

- The Charter School failed to follow its complaint procedures, and/or
- The Investigation Report lacks material findings of fact necessary to reach a conclusion of law, and/or
- The material findings of fact in the Investigation Report are not supported by substantial evidence, and/or
- The legal conclusion in the Investigation Report is inconsistent with the law, and/or
- In a case in which the Charter School was found to be in noncompliance, the corrective actions fail to provide a proper remedy.

The appeal shall be sent to the CDE with: (1) a copy of the locally filed complaint; and (2) a copy of the Charter School Investigation Report.

All complaints and responses are public records.

Notice of Civil Law Remedies

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination complaints arising under state law, however, a complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of their right to file a complaint in accordance with 5 CCR section 4622.
